The Customer agrees to pay the then-effective, applicable "Tariff Rate" (the maximum rate) provided for in Tariff Section 35.2 a) (Statement of Rates) and the applicable Injection/Withdrawal Fuel Use Percentage as provided for in Tariff Section 35.3 (Fuel Use Charge). The Customer may also be subject to additional charges as provided for in the then-effective, applicable Tariff and set out in Tariff Section 35 (Rate Schedules and Other Charges).
3. ISS to the Customer will commence on January 1, 2021, and ISS under this Service Agreement will remain in effect through March 31, 2032. Final notice of the Service commencement and termination dates will be documented by e-mail or facsimile.
